2ND CHANCE AUTO LOANS @ CBCU

KEEP YOUR CAR. TRADE YOUR FINANCING.

You just bought a new car. It's shiny. It smells brand new. It's exciting and fun to drive. Next comes making the monthly payments! OK, so that's the worst part about new cars. That whole "they're expensive and you have to pay for them" thing. Unless you're someone who buys a car without a loan, those loan payments can be daunting. Particularly if you didn't shop around and took a loan through the dealer because you didn't know you had other options. You have options at CBCU! CBCU offers great **SECOND CHANCE** auto loans that can help get you out of that higher-interest-than-desirable loan.

What's a second chance auto loan? We buy out your existing loan. That's right. You can consider it gone and paid off. Then we offer you a CBCU loan. You may already know that as a credit union, we're frequently able to offer loans with better terms, lower payments, and better rates. If you're thinking of buying a car, or if you are in a high interest car loan get in touch with us. There's no harm in asking, only potential savings and a friendly conversation with CBCU!
